CAR PARK FEE COLLECTION

SITUATION

Manly Wharf, Sydney

SYSTEM

Automatic car parking system comprising Entry control, automatic and cashier Pay Stations and Exit control units.

FEE COLLECTION SYSTEM

A ticket is automatically issued on entry and encoded with time and date details. Before returning to the car park, the driver inserts the ticket into the Pay Station or passes this to the cashier if on duty. The parking fee is paid, with change and optional receipt. Grace time is then allowed to exit. Self serve payment machine time is also provided, to accept notes and coins, issue change and optional receipt. A Management Information System provides audit and historic details of the car park use.
